PROFILE SUMMARY

With an average of more than 100 presentations annually, Niyi is recognised as one of Nigeria's foremost pragmatic and inspirational speakers, and a leading voice on Leadership transformation in the country. For more than fifteen years, Niyi has devoted himself to researching and studying leadership and applying what he has learnt as a practitioner.

Since he commenced his professional career in 2005, he has spoken in over 100 tertiary institutions and delivered keynote speeches to top officials of various institutions, including multinationals like Chevron, 9mobile (Etisalat), First Bank and the Chartered Institute of Arbitrators of Nigeria, where he had the privilege of training senior lawyers from across the country on public speaking and presentation. Niyi in partnership with a leading telecoms company toured over 80 Higher institutions across 30 states of Nigeria speaking to an average of 2000 youths per occasion.

Niyi is the convener of the nationally acclaimed platform "**Meeting Point**" which is a 100% interactive platform aimed at bridging the gap between Luminaries (leading personalities who are reference points in their respective industries) and Visionaries (upwardly mobile folks aspiring to make their mark in their chosen fields. This event has been held in almost all the geopolitical zones of Nigeria.

He is also the convener of the **Niyi Adesanya Leadership Bootcamp**, a 2-day premium refuelling and rejuvenating mid-year programme that provides Managers, Supervisors, Team leads, C- suite Executives, Directors, and Business owners with essential skills for leading others in and out of the workplace.

Niyi Adesanya has spoken on key Life Mastery subjects including Leadership, Mastering Change, Peak Performance, Individual Competitiveness, and so on. He is a faculty member of various institutions in the country including the

PROFILE SUMMARY

prestigious Daystar Leadership Academy and the C.I.T.C. Leadership center.

The renowned Performance Strategist developed and executed a competitiveness upgrade concept that helped a telecoms company strengthen its connection to their target consumers, leading to a massive sustainable boost in their income within a 5-year period.

Known for his tenacity for leadership and performance, Niyi in 2019 came up with **The Think Tank initiative** for Business owners and Professionals with the aim to work with these categories of individuals in attaining accelerated growth and achieving their projected business and professional goals.

So far, Niyi has trained more than 9,200 corporate professionals, addressed over 3 million audiences and coached more than 1000 individuals. His life-coach and leadership acumen has been felt on a more personal level as a coach to many high-profile individuals including governors, top executives and celebrities.

Niyi is also a Consultant, Entrepreneur, Founder of The Speaker Academy, Marketplace Academy and CEO, FifthGear Plus; an avant-garde Consulting, Recruiting and Publishing firm with the mandate to help organisations optimise their corporate potential, with clients including at least one of top three organisations in major sectors of the economy.

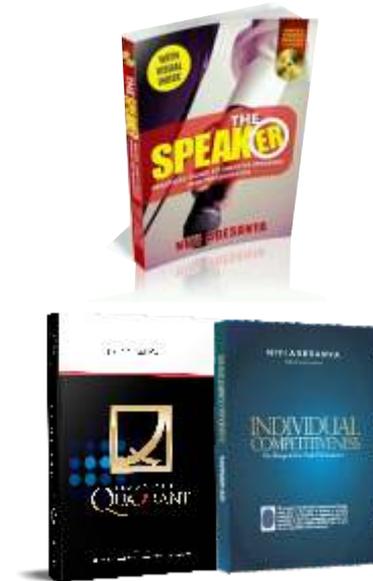

PROFILE SUMMARY

He is the author of three dynamic books, **THE SPEAKER**, **LEADERSHIP QUADRANT**, and **INDIVIDUAL COMPETITIVENESS**: The Blueprint for Peak Performance.

The Speaker is a practical guide to creative speaking and presentation which contains valuable and practical information about the art of public speaking in every sector of the economy. The book also takes the reader through a step by step process with colourfully illustrated pages that stimulates the reader's imagination.

Leadership Quadrant talks about the keys to personal, corporate and national transformation. This book showcased different outstanding individuals like Nelson Mandela, Aliko Dangote, and institutions like Wal-Mart, Etisalat Nigeria to mention a few, on how they used different principles in Leadership to rejuvenate their life cycle.

Individual Competitiveness is a blueprint for peak performance which provides various strategies that inform the journey of an individual out of normalcy into discovery, efficiency and peak productive level.

ENDORSEMENT
